Rita's Roar

Thanks and Goodbye

Well we have come to the end of another fantastic year and are well on the way to planning next year. We are excited about the new learning that is to come and sad to say goodbye to students and families who are moving on.

We say goodbye to all of our Year 7s and some of their families. The following families are leaving:

- . Shaeden Lukey's family; Marilyn, Peter and Bettina
- . Alys Bockman and her mum and dad; Geoff and Shereen
- . Alyssa Groves' family; Linda and Lyndon
- . Maddi Sorensen's family; Matt, Jacqui, Ron and Jettie. Ron and Jettie will be back in a few years with the third generation of their family
- . Logan Holmes' family; Lisa and Tony, Rod and Tina
- . Brayden and Paige Vandenberg's mum and dad; Charlene and Jason but only for a short while, as Jaymie-Lee will be starting school soon
- . Jacinta and Isabella Fry and their parents; Heidi and Jason who are moving to Edithburgh

We wish everyone the best for the future.

Volunteers Award

DECD has provided all schools with a plaque to honour volunteers who provide exceptional service to schools. Our problem is that we have such a wealth of volunteers, who support us, so it is very difficult to single out one or two. But we have bitten the bullet and selected two who exemplify the spirit of volunteerism. The inaugural recipients are Stephen Duell and Tony Brown, who have both worked very hard for the school over a very long time. Tony is here nearly every day, working with small groups to improve literacy and numeracy and Stephen's support with Lego and K'nex is legendary. There are so many people whom we could have included, but you all know how much we appreciate what you do and how you have helped to create the fantastic culture at Mypolonga Primary School.

Former Students

We are always proud to share the successes of our former students and are happy to announce that the following students were recognised at Murray Bridge High School's Presentation Night with the following prizes:

- **Rachel Anderson:** Dux Year 12, Masonic Lodge Bursary, English Studies and Information Technology
- **Luke Johnson:** Head Prefect Award
- **Stephanie Hagger:** Mathematical Applications
- **Tom Daniel:** School and Beyond
- **Jordan Holmes:** Mayor's Service Award
- **Zac Wachtel:** Year 12 German

Literacy Cup Results

The Literacy Cup has been a significant contributor to the improvement of reading achievement across the whole school, so much so that the Upper Primary class has asked that the learning journals they are helping to design have a place to record holiday reading! It was great to see students, especially leaders, receiving their 300 nights reading certificates. The Literacy Cup is so embedded in our culture now that it is just our way of being.

Congratulations to the Blue Team (Hindmarsh) who led from the front all year, followed by the Red Team (Murray) and the Gold Team (Finnis). Next year's House Captains are already preparing their election campaigns by providing evidence of strong leadership by reporting on how many nights they read this year.

Goodbye Nicole

As you are all aware, Nicole has decided to pursue a different career path and has successfully won a position in the photographic field. I am sure you will all join with the staff at Mypo to wish Nicole all the best for the future. Nicole's students will all miss her too, as was evidenced at the concert. Thank you Nicole for the contribution you have made to Mypo and we look forward to catching up with you next year.

Stop Press!

CONGRATULATIONS to Linda and Paul Castle on the safe arrival of their daughter Zoe Arwen, born on 8th December 2014. Zoe is a little sister for our Reception student Haydn and his younger brother Sam. Sending our best wishes to you all!

Warm Regards, Rita

~ Thank you ~

I just want to say a big thankyou to my Mypo family.

The staff, students, parents and community members have been a wonderful support to me during my 4 years teaching here and I am forever grateful.

Although it is sad to say goodbye, and I will miss everyone dearly, I am very much looking forward to my new adventure. For those of you who don't know, I have been lucky enough to win a position working as a Portrait Photographer for School Photo Company Academy Photography.

Thanks to everyone for their messages of support and well wishes on my new job. I wish everyone a safe, happy Christmas break and best of luck for 2015!

*Thanks,
Nicole Christian*

The Murray Bridge Kiwanis Club is a member of the world-wide group of clubs which originated in USA.

We are a small but active group and the focus of the Kiwanis is particularly aimed at children. This year, we have funded the Murray Bridge North School Breakfast Club and next year for Mannum Community College.

We have recently donated \$660.00 to ac.care to include fruit and vegetable vouchers in all their Christmas hampers. During the year, we have been running the Terrific Kids program at eight schools in the area and this year, we have made a donation to one Year 7 student in each of these schools. We have helped fund several students to go on camps and every year we pay to send one student from Murray Bridge to take part in Operation Flinders.

We are always seeking new members and we would welcome any enquiries to Marilyn Pope 8532 5650.

I am aspiring to be someone who can help depressed people and those with anxiety, possibly a psychologist.

Alyssa Jasmine Grove

I have enjoyed coming to Mypo in Year 6 and appreciate how this school gives student voice in our learning and making decisions.

I will miss the way we get to have so many choices.

I would like to be a Receptionist in a hotel, which might give me the chance to travel around Australia.

Amber Nutt

My **best memory** at this school is doing Art with Mrs O'Brien.

Brayden Paul Vandenberg

I enjoyed learning about the Sammy D Foundation because I learnt about self-control.

I am looking forward to meeting new friends in High School.

I want to travel to Darwin to go swimming with crocodiles (in a cage).

Family Farewell Thoughts

"Even though the staff & curricular focus may have changed over the years, the one constant at Mypolonga Primary School has been to encourage, enable and empower each child to become the best student and individual they can be."

Matt & Jacqui Sorensen

"The care the teachers provide, and the values taught, match our own and I am grateful and thankful for having such a fantastic foundation for my children's learning. Their passion for children's education is astounding and I love the way they encourage the children to realize their potential. Keeghan has been able to expand the knowledge he has through their guidance and encouragement."

Ray Watts

"Although Aly only spent two of her 8½ years there, she will always proudly refer to Mypo as her Primary School. Together, you all relentlessly strive to improve. The school keeps evolving and moving forward, always looking ahead but never leaving anyone behind."

Geoff Bockman

Goodbye & Good luck Year 7s

Kailan Zayn Challenger

I will miss being involved in the School Shop and my leadership roles as House Captain and SRC leader.

Someday I would like to go skydiving.

Keeghan Daniel Davis

I will miss the little kids because they are cute, funny and awesome and the School Shop because you get to meet new people and handle money.

I would like to be an architect or video game designer when I grow up.

Madison Kate Kruschel

I will miss all the friends that I have made.

One day, **I would like to** move to the Sunshine Coast and become a Real Estate Agent.

Family Farewell Thoughts

"Amber has blossomed in her time at Mypolonga Primary School. We are very proud of the young lady she has become. She has come out of her shell and grown in confidence and become more assertive. The School Shop, leadership roles and many other opportunities and experiences have been a great learning experience for her. She has also made some fantastic friends. Thank you to all the staff at Mypolonga Primary School."

Kylie and Chris Nutt

"Kailan has been blessed. The teachers and support staff are amazing and hold excellence as the goal for every student. Encouraging and supportive, to promote the best. Thankfully, I can be a parent of the school for years yet. Lucky us Ariel!"

Catherine Challenger

Family Farewell Thoughts

I will miss the friendships that have blossomed and the memories lived, which can never be forgotten. Most of all, I'm going to miss the teachers. You have educated us to the best of your ability. Thank you all!

My **dream for the future** is to see a smile from the less fortunate. In fulfilling this wish, I would like to become a Pediatrician and run a foundation for Cambodian kids. I would like to fly over there for five months of the year and volunteer as a Doctor.

Rex George Dankel

One thing **I will miss** the most will be the teachers because they are so nice and understanding.

In the future, I would really like to travel and visit different places around the world.

"I am so glad we made the move to Mypo Primary School. The change in both Paige and Brayden is mind blowing. Thanks to Mrs O'Brien and all the staff for putting in the hard yards to bring them up to speed and giving them the confidence they both lacked. Thank you from the bottom of my heart." *Charlene Vandenberg*

"Both Sky and Rex have come along in leaps and bounds! They are both confident, polite and well mannered and I'm sure that a lot of that was gained by attending Mypolonga Primary School." *Chris Dankel*

Murraylands SAPSASA

Special message from Mike Innes...

As I am retiring after 8 years as Murraylands SAPSASA Convenor, I would like to take this opportunity to thank all the staff (teaching and non-teaching), the families and especially the students of our district schools, for all the support you have given me and SAPSASA during that time.

Giving young people the opportunity to find their potential in various fields, in this case sport, is an important part of education, and I appreciate your commitment to giving that opportunity to the children in our schools.

My successor is Kellie Klose, who is based at Palmer Primary School. I wish Kellie every success and hope that the job will give her the same satisfaction and enjoyment that I have been fortunate enough to have.

Regards, Mike Innes

On behalf of Mypolonga Primary School, I would like to send our best wishes to Mike Innes on his retirement. Mike has worked tirelessly to promote sport in the Murraylands and we appreciate the time and effort he has put in to our young sports people.

Regards, Rita
