Rita's Roar

Thank you Pearl!

When you are around the back of the school, you will notice the beautiful sensory play area, which has been created for the younger children. I would like to thank Pearl and her family for all of the hard work they have put into this amazing feature (especially on 40°C + days!). This is Phase 1 of the project and the Sustainability Committee will work with David to implement Phase 2, which is around creating a nature play space as well. You are a legend Pearl!

Student Free Day

The introduction of the new Australian Curriculum has moved into a new phase with a greater focus on standardising assessment practices across and between sites. DECD wants to ensure that an A at Mypo is the same as an A at any other school. Yesterday, all of the teachers in the Murraylands Partnership met in their year levels to look at assessment and moderation. Moderation is where we share the way we assess against the achievement standard by looking at student work samples from other schools. This is an important process for the development of consistency of teacher judgement.

Consistency of teacher judgement is one of our site improvement plan priorities. We have added an extra layer because we want our students to be a part of this process and understand how the achievement standards work and have high expectations to achieve them, so we have added consistency of student judgement into our site improvement plan as well.

Governing Council

We have very active parent bodies in our school and I am so proud of how you all support us to grow, not just your own child as a learner, but every child. I very much believe 'when the water rises, all the boats rise', and collectively we all have a responsibility to make the water rise. One of the ways to do this is by joining the Governing Council, which is the ultimate decision making body in the school.

The reality of parenting today is very different than in the past, so it is with great pleasure that I am able to announce that not only were all positions filled on our Governing Council, we actually had more than we needed. Our new, expanded Governing Council is looking forward to an exciting 2017.

Its members are:

Ian Payne: Chairperson and Sustainability Committee Convenor
Jodie Hagger: Vice Chairperson, Parents and Friends President
Kelly Kuhn: Proxy Vice Chairperson
Mel Leane: Secretary and Lifelong Learning Community Convenor
Meagan Wynne: Proxy Secretary
Matt Kruschel: Treasurer and Finance Committee Convenor

2017 Parent/Teacher Interviews

Parent/teacher interviews for all students will be held during Week 10, commencing **Monday 3rd April 2017 until Wednesday 5th April 2017**. We will again be using an online booking facility for interviews with your child/ren's classroom teachers. **Bookings will open on Monday 20th March 2017**. A detailed note regarding the booking process is enclosed and a reminder will be emailed/posted on Facebook closer to the date. If you have any queries on receipt of the note, please contact Annie or Necia in the office.

Payment of 2017 School Fees

A reminder that outstanding school fees are due to be paid by the end of Term 1 (Friday 14th April 2017), unless otherwise arranged with the front office. If you wish to arrange an instalment plan, please see Annie or Necia in the office.

.....and in closing: We had our DECD financial audit this week and the report stated that there were **no recommendations!** This is an amazing outcome and Annie should be very proud of this outstanding achievement. On behalf of the whole school community, I congratulate her on this well-deserved accolade.

Warm Regards, Rita

Student Representative Council "SRC"

Introducing...

Coen Martin (SRC Leader)

As an SRC Leader, I hope to... make the school a better place and to make my leadership skills better.

Something you don't know about me is... I have won 1st place in Level 5 of the country gymnastics teams.

I read... fiction fantasy books and love books by J.K. Rowling.

I watch... David Attenborough documentaries and Myth Busters.

I listen to... Power FM and Nova 919.

One day I hope to... go to the Olympics and go on an African safari.

If I could change something in the world, I would... stop all murders, help global warming and save all the endangered animals from extinction.

The best thing about Mypolonga Primary School is... that all the staff and students are friendly and caring.

Someone I really look up to is... my Dad... because he is really caring, hardworking and is really talented.

Request for plastic soft drink bottles

Danny Baker and his students in the Middle Primary class are currently working on a new S.T.E.M. (Science, Technology, Engineering & Mathematics) project... making water rockets!

We are kindly asking parents/caregivers & community members to drop in any empty and clean **2 litre** plastic soft drink bottles. If lids could remain on the bottles, it would be preferred, but not necessary.

Please drop them into the office or to the Middle Primary class.

Thank you.

Counsellor's Corner

Resilience Robbers

Over the next few weeks, I will be putting together the '7 Resilience Robbers' according to Michael Grose – Australia's No. 1 parenting educator.

Below is the first way parents can 'over-parent' and therefore do their children more harm than good. Most of the time we know we are doing it and just need a little reminder to stop and not to make the biggest mistake of doing for our children what they can do for themselves.

Resilience Robber No. 2: Make their problem, your problem

Sometimes parents can take too much responsibility for issues that are really up to children to work out or decide. Here's a clue if you are wondering what I am talking about: a jumper is something a mother puts on her son when she is cold!

Sometimes it is just plain easier to do things for your children than to teach them how to do it themselves. However, we are NOT doing our children any favours here. Take the time to help your child become more independent even if you could do the same thing in half as much time...the future world where your child will become an adult, will thank you for it!

Cheers, Kerry

SAPSASA Swimming

Congratulations to Year 7 student **Samuel Montgomery-Pittaway** on being selected in the Murraylands team for the SAPSASA Country Swimming Championships. Samuel has been selected in the 12 year old boys' 4x50m relay and 50m breaststroke and will be competing on Friday 17th March 2017 at the SA Aquatics Centre in Oaklands Park.

Well done Samuel and good luck!

6th March 2017

At Mypolonga Primary School, Parents & Friends as part of our Fundraising, help the school with catering of a few selected functions. An example of this is the Disco Tea. In the past we have been able to raise significant amounts due to the generosity of parents and caregivers helping with the donation of goods which keeps costs down.

We have not done this for a few years but as a committee thought we would reintroduce it. When a function occurs, if you have shown interest of support, we will send a form home asking for a donation of goods. This could be a lettuce or a can of tomatoes all depending on the function. It is completely voluntary and as stated prior helps us with our profit margin when fundraising.

If you feel you could help throughout the year with a donation of goods please fill in the form below and return it to the school. If you have questions please don't hesitate to call me.

We thank you for your support
