Friendly Reminders

- Swimming travel costs are now due. $15.00 per student.
- Lower Middle & Middle Primary students - Choir book & CD charges are due by 15/4/16. Please be mindful of the 15-minute car parking zone outside the Mypolonga General store.
- Quite regularly, notes are sent home with students, with a due date for return following parent/caregiver consent. We would appreciate the prompt reply of these notes, as certain decisions can only be made upon their return i.e. catering, bus numbers, reports printed etc. Thank you!
- When students are late or going to be absent from school, parents/caregivers (not siblings or friends) must provide the school with an appropriate explanation for the student’s non-attendance. Usually, this comprises a note in the student’s school diary/communication folder, a telephone call or an email to info@mypolongapss.sa.edu.au. Out of school hours, you may leave a voicemail message on the school’s message bank. If there are any unexplained absences at the end of the week, our School Counsellor will contact the parent/caregiver to ask for the reason of absence.
- In the case of a planned absence, a note in your child’s diary would be helpful. Families seeking extended leave (greater than 5 school days) for family holidays must apply in writing to the school for an exemption, using the appropriate form available from the office.

Rita’s Roar

A Memory from 2015

After school finished in 2015, our beautiful choir was invited to perform at the Murray Bridge ‘Carols by Candlelight’. I was so proud that the parents who could, enabled their children to not only shine, but to steal the show. They were sensational. I was so proud that Kerry and Kim seized the opportunity to give our kids this experience.

Don Watts, who stage-managed the event posted on our Facebook page: ‘Mypolonga Primary School students and staff stand tall. Your attitude, preparation, skills and pride in your school made you tops before you stepped on stage…..just the best. Thank you for all your amazing singing, happy faces and superb efforts. Standing behind the stage I got to watch Rita’s face. That was ample award alone. Fantastic folks!’

What Don was referring to, was me, trying very hard, but unsuccessfully, to hold it all together. I was so proud and emotional about how our kids rise to the occasion and represent our school so impressively.

Family Fun Night

What a great night we had; over 200 people sharing our TIGERness! Necia organised the whole event in her impeccable style and was able to draw on the support of our Mypo stalwarts: Mary Gill, who peeled and sliced 20kg of onions donated by the Rathjen family, Mark Pahl for helping with transporting items, Craig, Yvonne and Mitchell Hobbs, Ian Payne, Rod Baker and Derek Hagger who cooked the Barbie. The weather was kind to us in the end and we had a great night.

We also had the Parents & Friends (P&F) AGM where we talked about the committee’s purpose. We came up with a 3 pronged attack:

- The Catering arm: Mary Gill, Yvette Rathjen and Bronwyny Schubert will coordinate this in 2016;
- The Social arm: Carol Kruschel will coordinate a program of social events where parents (men included) can get together socially. A coffee morning has been organised for Monday 7th March 2016 at GCS (Adelaide Road, Murray Bridge) at 10am. All parents welcome;
- The Fundraising arm: P&F will determine other fundraising activities as appropriate.

An election was conducted and the following office bearers were elected:

- President: Mary Gill
- Vice President: Lorna Logan
- Secretary/Treasurer: Paula Burgess

Twice in a week!

Last Wednesday, Ron Kandelaars did a story about the School Shop on Ian Henske’s ABC Drive program. The next day I was interviewed by the ABC Riverland to expand upon the previous interview. The snowball effect is alive and well.

Sharing Learning

Last Friday, all 36 students from Keyneton Primary School visited our school to see the Shop in action and to learn about the Stephanie Alexander Kitchen Garden program. The Upper Primary class made them lunch and shared the learning that is taking place in the School Shop. We try to give our students as many opportunities as possible to speak in public confidently and I was really proud of the way our kids showed leadership and pride in our school.

The Governing Council

Our AGM is tonight. See you there!

Warm Regards, Rita

My first newsletter insert this year was the first 5 of a Michael Gross blog titled ‘10 of the Best Parenting Ideas for 2016’. This newsletter, I am delivering the final 5. I thought this article appropriate for the beginning of the year and I hope you have found it both interesting and useful.

10 of the best parenting ideas for 2016
Everyone wants to be the best parent they can be, and a new year offers the chance for renewal and rejuvenation. Here are the last 5 of the 10 HOT ideas to help you be on top of your parenting game this year.

6. Develop character strengths in kids. Recent studies (most notably the work of US-based Angela Duckworth) have found that character, not cognitive ability, is the single most reliable determinant of how a person’s life will turn out. The traits associated with success include the inclination to persist at boring or difficult tasks (grit), the ability to delay gratification (self-control) and the ability to follow through with a plan (conscientiousness). Writer’s NOTE: I’m currently researching these and other character traits and I look forward to sharing them through different forums.

7. Roll down Redundancy Road. The fundamental role of a parent is to make yourself redundant. Always has been. Always will be. There are three ways to do this – teach skills of independence, develop self-help skills and allow kids to learn from their mistakes. If your current parenting is heading toward Dependency Drive, it’s never too late to take a turn and head down a different road toward Redundancy. Start small but, for goodness sake, start now.

8. Practice reciprocity. The best families, like the most meaningful, communities are built around the principle of reciprocity. “We help each other out and we treat each other fairly” builds belonging and forges greater kinship between siblings.

9. Encourage social risk-taking. One in three children are risk-adverse when it comes to meeting new people and entering new social situations. Social media removes risk for these kids, yet it’s not the answer. Use a variety of strategies ranging from scaffolding (baby steps), practising meeting and speaking to new friends and modelling social risk-taking yourself.

10. Get a coach or mentor. The quickest way to get better at any skill is to get a coach or use a mentor to share their experiences and show you the way. (I’ve got coaches and mentors for everything from speaking, writing and social media through to golf, scuba diving and my other interests.) Parenting is no different. Draw on the expertise and experience of trusted sources to help you be the best parent you can be this year.

Cheers,
Kerry

**SANFL visit**

Recently, our Upper Primary students were treated to a visit from three talented footballers who are presently on Port Adelaide Football Club’s senior list. Tom Jonas (73 AFL games), Billy Frampton (2014 draft) and Riley Bonner (2015 draft) were accompanied by SANFL Metro Development Officer Ben Mesisca.

The boys spoke about their background, football careers and how to create a healthy lifestyle with good eating and exercise.

Following a range of questions from our students, the players made themselves available to have a kick of the footy, sign autographs and have photos taken.

**Milo Cricket**

Last Tuesday, the South Australian Cricket Association visited us and conducted a range of cricket activities with students from Reception to Year 7.

The activities focused on the main skills of cricket, which included batting, bowling and fielding, as well as teamwork and having fun!

Year 6 student Riley Walton said, “The games were educational as well as fun! The skills I learnt will help me during my Friday night cricket.”

For further information on SACA’s programs, please contact Steve Kavanagh via email skavanagh@saca.com.au or visit the South Australian Cricket Association website at www.cricketsa.com.au.

**House Captain speech...**

We would like to share with you an example of the exemplary house captain’s speeches we received from this year’s elections. Congratulations Holly on your appointment as house captain for Hindmarsh...

“Hello everyone, my name is Holly Rathjen. As you all know, I’m running for the job of blue house captain.

I will encourage you to not give up and to work towards the best of your ability. I wish that I can be the best role model of this year. It’s my pleasure to listen to you read at lunch times if it’s not possible to read at home. Last year, I read 301 nights and I’m determined to beat this year. And I want to help each and every one of you reach all of your personal goals.

One of my personal goals this year is to do more sport and expand my knowledge on physical activity. I love working with younger students and I feel a real connection with all of you. My inspiration is my sister Maddison Rathjen because she tells me to never stop believing in your dreams and keep working hard in what you are doing to get where you want to be. She also says to never stop learning from your mistakes and that is something I have used to become a better learner. And this message I want to pass on to Hindmarsh.

My aim is to make sure that we all use our tiger values so we can improve not only individually, but as a whole team and become more resilient. Just to let you know, I’m always here for every one of you and you can come and talk to me at any time if you need someone to talk to and I will always support and respect you.

This is one of my favourite quotes that I find really motivational; Don’t think, Don’t hope, Do!

As the great AFL star and Hawthorn coach John Kennedy Senior once said..’thank you for listening to my speech’.

John Hindmarsh was the first Governor of South Australia. He arrived in 1836 and had to decide where to build the capital city. Hindmarsh wanted it near the mouth of the Murray, but Colonel Light wanted it near its current site. Many places in S.A. are named after Governor Hindmarsh.
