Term 3 Assembly Roster

Week 1 – Abbey Schofield, Jason Crouch, Bella Pike

Week 2 – Kyly Reen, Samuel Montgomery-Pittaway, Jessica Deane

School Shop

Our School Shop will be open for business on both Fridays during the school holidays. All Reception to Year 7 students are welcome to attend, dressed in school uniform, arriving at 11:50am until approximately 12:45pm.

Term 3 Enterprise Recess/Lunch

Take a look inside to see what's on offer for next term's enterprise recess/lunch! Please pay at the time of ordering from the servery window (near the staffroom), where staff and students are present on Monday and Tuesday mornings.

With Thanks...

Thank you to Kym Walton, Peter Lewis and Ash Martin, for collecting and delivering the school's recycling into Murray Bridge this term.

Happy Birthday

30/6 – Rhiannon (Year 3)
4/7 – Bella (Year 5)
17/7 – Bailey (Year 7)
20/7 – Sky (Year 7)
20/7 – Makayla (Year 3)
26/7 – Jayda (Year 5)

100th Birthday Celebrations

As previously mentioned, our 100th birthday celebrations will be held in 2016. Our first planning meeting was recently held and we are excited to note we have set the following celebration dates during the March long weekend; **Friday 11th March 2016** (held at the school) and **Saturday 12th March 2016** (held at the school and Mypolonga Combined Sports' Club for tea).

A Facebook event 'Mypolonga Primary School's 100th Birthday Celebrations' has been created, which we ask you to 'like' and invite friends that may have had any association with the school over the last 100 years. Further information will be provided in upcoming newsletters and on the Facebook event.

(Numeracy & Literacy Results Plus)

Rita's Roar

The Power of Music

On Tuesday night, our choir was invited by Murray Bridge High School to perform with the Australian Girls' Choir. It was an extremely emotional night with our choir performing brilliantly. At the end, the local choirs joined in with the chorus of 'I am Australian,' which moved many of the audience to tears. It was also great to see former students Chloe Elliott, Abbey Kruschel and Holly Wachtel performing with the High School Band and Georgia Davis and Kosta Bartholomeusz performing with the vocal ensemble.

I would like to acknowledge the work put in by choir trainer Chris Hodgen and congratulate Kerry and Kim and all of the Middle Primary students for flying the Mypo flag high. My mum loved you too!

Another Presentation

Noel Kneebone, the former Principal of Tailem Bend (and Mypo), has accepted a position as our partnership's Literacy and Numeracy Results Plus Coordinator. His job is to work with all sites in our partnership from pre-school to Year 12 to improve literacy and numeracy achievement. Noel came out to Mypo to talk about his position while Sienna and Tyler were practicing for their Melbourne trip. Noel was so impressed he asked if the presentation could be replicated at our partnership meeting. However, instead of Sienna and Tyler presenting, we 'shared the love' and asked Darcy from the Sustainability Committee and Chloe from the Lifelong Learning Community to present this time. They did us so proud!

I would also like to thank Anne, because that day was her day off, yet she still drove Chloe and Darcy into Murray Bridge for the presentation. This kind of dedication (what footy coaches call the 'one percenters') is what makes our school so great. Anne will be taking long service leave for the first 2 weeks of next term while she visits China and we will all miss her very much.

Student Free Day

Thank you to all of the students who attended the Student Free Day to learn about executive function and help with the catering. We had many robust discussions with our students about how they can support young students to stop and think. They talked about how hard it was to get the new receptions ready for Sports' Day, as many were younger than previous years due to the new intake rules. However, they were very proud of how far the receptions came in such a short time and they felt they had contributed significantly to the development of executive function in young students.

We also talked about how executive function is often developed outside of the classroom and how programs such as the Shop and Stephanie Alexander are great ways for students to develop initiative and learn to be flexible.

Have a great break and we'll see you all next term.

Warm Regards,
Rita

Woodend Primary School's High Velocity Jump Rope for Heart Demonstration Team

Last Thursday, all students were fortunate to receive a visit from Woodend Primary School's High Velocity Jump Rope for Heart Demonstration Team. Woodend Primary School is located in the Woodend Estate area of Sheidow Park in the southern suburbs of Adelaide.

The team, made up of students from Years 3 to 7, performed and demonstrated their excellent rope skills, including the use of a crate, pogo stick and scooter! We even got to join in!

The visit was a lead up to our own Jump Rope for Heart 'Jump Off Day', being held on Wednesday 12th August 2015, to raise money for the Heart Foundation.

Sponsorship forms were sent home yesterday for students to start collecting sponsorship money in the holidays for this worthwhile cause.

Karate Lessons

This year, we have been unable to continue with gymnastics due to our previous instructors no longer offering the program. Therefore, we have decided to try karate!

This 5 week program will commence on Monday 10th August 2015 with the Murray Bridge National Karate Academy. Thank you to Tony and Jo for agreeing to hold and run these classes. The classes will take place at the Mypolonga Institute and students will need to wear appropriate PE clothing and footwear.

** This may be the perfect introduction to karate for some students also wishing to join Shukokai Karate Alliance in Mypolonga.*

*This exciting new karate club is anticipated to commence on Wednesday 12th August 2015 at 6:00pm (children) and 7:15pm (adults). If you haven't already expressed your interest, please contact Dave via email mypo.shukokai@gmail.com. Also, 'like' the new Facebook page **Mypolonga S.K.A** to be kept updated.*

Lower Middle Primary Study of Captain James Cook

In History this term, the Lower Middle Primary class studied Captain James Cook, his discovery of Australia and his first voyage on the Endeavour.

Students made models of the Endeavour and recorded facts on the sails.

Monarto Zoo iPad App Trial Excursion

An iPad application has been developed to observe the chimpanzees at Monarto Zoo, and we were thrilled to be invited to trial the app by Education Officer, Ian Walton.

The app is based on dialogic pedagogy, which means there is no reading or writing involved, so it was an interesting challenge for students. There were 7 observation stations with associated activities, such as recording audio, taking photos and videoing, all as the chimps were observed.

After about an hour of observations, students were invited to give feedback to Wally and Dr Kerrie Mackey-Smith (the developer of the app).

Dr Kerrie sent an email to thank us and said "...the students were incredibly generous with their commitments and comments."

Later, the Zoo provided a sausage sizzle for lunch and everyone enjoyed free time on the bush playground. Pictured below are Amber, Holly, Kane and Kyly.

Did you know?...

Monarto Zoo is one of the largest open-range zoos in the world spanning more than 1,000 hectares and is home to more than 50 species of exotic and native mammals, birds and reptiles.

Monarto Zoo is open daily from 9:30am – 5pm with last entry at 3pm. The zoo is open every day of the year, including Christmas and all public holidays, except if the forecast temperature for Monarto is 40 degrees or above, in which case the zoo will be closed.

'From The Proud Mary...'

Dear Madam

When we visited your school on 22nd May 2015 with the Proud Mary, I cannot tell

you how much I enjoyed the afternoon with all the wonderful pupils. They were all so enthusiastic with the different activities that they were assigned to do. Please find the enclosed postcards for the 'map', which a very good pupil explained what it was for etc. so I told him that I would send some postcards - do hope all the pupils will enjoy.

We were all so impressed with the excellent way the pupils conducted themselves and their knowledge outstanding for their ages. I am sure you and the teachers must be very proud of them and am sure you all enjoy your job and to be amongst such lovely kids.

Again, thank you all for making our afternoon so enjoyable.

Good luck to you all and keep up the excellent work!

All good wishes from Barbara Wolever, Christchurch, New Zealand

7<sup>th</sup> June 2015

During our recent cruise with the Proud Mary on the Murray River, we had the opportunity to visit your school and shop. We were very much impressed of how you run your business and especially how you keep your records.

Well done and keep going! Congratulations on your project.

Greetings from Switzerland, Fritz & Rosmarie Schreck, 8953 Dietikon

### Cartridges 4 Planet Ark

Our school is registered for the 'Cartridges 4 Planet Ark' program. This means that Planet Ark will arrange for the collection and processing of imaging consumables including toner bottles, laser cartridges, drum units, fuser kits and inkjets used in printers, photocopiers and fax machines.

2014 was the biggest year yet for the program with more than 3,300,000 cartridges being diverted from landfill and back into the economy.

Items are stored in a collection box, and when the box is full, the cartridges are returned FREE through Australia Post Reply Paid.

If you have any used consumables (as listed above), at home or work, you may drop them into the office and we will arrange the recycling of the items for you.

### St Vincent de Paul – Charity Bins

A reminder that two St Vinnies charity clothing bins are housed in our recycling shed.

Any time you have clothing items you wish to donate, you can drop them off at the front office.

When the boxes are full, a volunteer from St Vinnies collects the items from our recycling shed.

### Earn & Learn is Back!

We are excited to be taking part in the Woolworths Earn & Learn program again this year. You may have heard about it through the various media sources.

**From Wednesday 15<sup>th</sup> July 2015 until Tuesday 8<sup>th</sup> September 2015**, when anyone from our school community – staff, family members, friends etc shop at Woolworths, they can collect stickers to place on their sticker sheets. They'll get one sticker for every \$10.00 they spend. Once they complete their sticker sheets, they can place them in the collection box, located in the office at our school, the Mypolonga General Store (thanks Kevin & Julie!) or their local Woolworths store.

The more sheets you bring in, the more we can redeem from a choice of more than 10,000 educational resources including library books, classroom equipment, art & crafts materials and much, much more! Collect as many Earn & Learn stickers as you can! Enclosed with this newsletter is a sticker sheet to get you going - additional sticker sheets can be downloaded and printed by 'Googling' 'Woolworths Earn and Learn 2015' or by contacting the school.

Thanks for your support! Please contact Necia at the school if you have any queries.

### Master Class - Advanced Notice

Once again, this year's Master Classes will run over 4 weeks during Term 3:-

**Week 6 - Tuesday 25<sup>th</sup> August 2015 / Week 7 - Tuesday 1<sup>st</sup> September 2015**

**Week 8 - Wednesday 9<sup>th</sup> September 2015 / Week 9 - Wednesday 16<sup>th</sup> September 2015**

Sessions run for 1 hour in the afternoon 2:30 – 3:30pm.

We will be looking for parents, friends and/or community members who are prepared to help with, or run a Master Class for either the first 2 sessions or last 2 sessions, or both.

In the past, Master Classes have been as varied as volleyball, basketball, golf, bingo or indoor bowls. Other Master Classes have been craft or hobby based, cooking (confectionary or theme). We have also had campfires, lego, woodwork and art electives or whatever you are prepared to do. Each Master Class group will have approximately 4 - 8 children (depending on the activity) and is in an area supervised by a teacher.

We would love to see a number of people from our school community participate in this much-loved Mypolonga Primary School activity. As well as learning lots of different activities, students get a chance to work with different students and meet other adults.

Further details will be sent home next term.
