# MYPOLONGA PRIMARY SCHOOL UNIFORM

Our values inform all of the decisions we make. We believe our school uniform:

- . Shows we live our TIGER values, by wearing black and gold
- . Discourages bullying by allowing all students to be included
- . Should be cheap and accessible to all
- . Should be comfortable and facilitate physical activity

Students who do not wear school tops will be given a top to change into for the day (at the discretion of the Principal).
